ITEM 5
SAFETY MOMENT AND REPORTS

Safety Moment concerned automobile tire safety and tire maintenance.

Under the Managers Report, several items were reported:

A milestone in safety was reached at 373 days without an OSHA reportable accident.

SVCW received an award from the California Sanitation Risk Management Authority for the Workers' Compensation Award recognizing low safety incidents within the agency.

Two awards were received from the California Water Environment Association Santa Clara Valley Section; one for Engineering Achievement and one for Research Achievement.

A presentation will be given at the February 11th Redwood Shores Community Association annual meeting; the focus is RESCU.

SVCW's Chief Operating Officer provided a presentation on the SVCW laboratory, noting its criticality in meeting regulatory requirements, providing input to plant operations, and performing work for other wastewater agencies. New federal certification requirements for laboratories are being implemented which will require additional training and possibly another staff person; staff is tracking impact of the changes.

For the remaining written reports contained within the agenda packets, there were no questions nor comments.
